

CHILD PROTECTION AGREEMENT

for Minors Serving with Minors at Dawson

Thank you for serving at Dawson!

Here at Dawson, we believe strongly in teaching God's Word in a child-safe environment. Because of this belief, every person who wishes to serve in any capacity involving minors must complete a Child Protection Agreement. Thank you for your cooperation to ensure the safety of our children.

- I agree to be above reproach in my interactions with children and other volunteers.
- I agree to not take pictures of children or post them on my personal social media sites. (Only Dawson staff members will post pictures of children.)
- I agree not to give piggyback rides or carry children unless in the case of serious injury (this does not include infants or toddlers in the nursery).
- I agree to abide by the Rule of Three. This means I will make reasonable effort to never be alone with a child, but will strive to make sure there are three people present. This includes in classrooms, cars, and bathrooms.
- I agree to avoid any improper physical contact with a child. This includes physical contact that could be misinterpreted as improper or raise suspicions.
- I agree that all discipline (either in the form of timeout, removal from a classroom, or conversation with the parents) will take place at the discretion of the adult leaders.
- I agree to immediately inform the adult leader or minister in charge of any incidents or injuries that occur in the classroom or during a church-sponsored event. An incident report form will need to be filled out by the adult leader or minister in charge.
